

## Courses and Conservation Experience Form

Use this actual form, please do not add pages, and save completed form as: Applicantlastname\_Applicantfirstname\_2024\_CCEF

Please type, in the spaces provided below, information about those courses and conservation experience you are submitting to fulfill the entry requirements for the Winterthur/University of Delaware Art Conservation Program. Include courses in progress that will be completed by June of the year in which your application is considered. Some of the information you will enter duplicates information you have already or will soon enter in the UD application system. Please feel free to copy and paste whenever possible. Having the information all in one place, on this form, significantly improves our application review process, and we thank you for the extra time you will spend compiling it for us.
